The Names of Jesus Threshold Bible Study

The essential purpose for reading the Scriptures is to know a person – Jesus Christ – more personally and more intimately. Join Terry Stevens in this six week scripture study as we gather each week to reflect on Jesus “in person” as one who is real and alive and powerfully influencing our lives here and now.

Using the book “The Names of Jesus” by Stephen J. Binz from the Threshold Bible Study series we will follow short daily scripture readings and reflections and share our experiences through weekly discussions.
